**Subject:** Fw: Dimock - Analyte List

Dawn,

Attached is a full list of analytes that we are using at Dimock. Eventually (sooner than later) you will need to establish screening levels for these analytes. Just a heads up for you to get started on that. We will put the screening levels you have for the initial 13 in our Scribe database.

Thanks for your continued help.

Rich

Rich,

As requested, please see the attached list of analytes that are being analyzed for the Dimock Residential Groundwater Site.

Please let me know if you have any questions.

Thanks,

Suddha Graves
